

# Project Reference List

Year	Operator	Client	Project	Scope	Hours
2016	Statoil	CKT	Asta Hansteen, LQM	Supervision and commissioning assistance, in Netherlands and in South-Korea for LQM	6.000
2016	Workfox	CKT	24 Temporary Living Quater Modules	Construction of Electrical, Instrumentation, and HVAC controls and F&G installations	9.300
2015	Gaz de France	HSM Offshore	E17a-A Compression Module	Construction and commissioning assistance of E&I and F&G installations	8.000
2015	Vinci La Reunion	NR Koeling	Cooling plant for concrete pooring process (Seychelles)	Engineering, panel delivery (including software) and contrctiion of experimental plant	950
2015	Petrogas	Hoogvliet Offshore	A18 Living Quarter Module	Engineering, Construction of E&I and F&G installations	2.000
2014	Allseas	Pioneering Spirit	Construction Hydraulic Skids	Construction of E&I installation, during pre-fab, construction and installation on board.	188.000
2014	Odfjell	Odfjell	Steamtracing	Upgrade metalwork for steamtraing system in operational Tankstorage plant	1.450
2014	Specialised Tanker Services	NR Koeling	Tank cleaning system for toxic and explosive vapours from tanks.	Engineering, panel delivery (including software) and contrctiion of Ex plant	1.200
2013	Siemens	Merford Noise Control	Edvard Grieg, Compressor Enclosures	Construction of Electrical, Instrumentation, and F&G installation	2.000
2013	Siemens	Mercon steel structures	Edvard Grieg, Sulphate Removal Skids	Construction and commissioning assistance of E&I and F&G installations	10.000
2012	Shell Norway	Hertel Defence & Offshore	Draugen LQM extension	Engineering and Construction of Electrical, Instrumentation, and F&G installations	13.000
2011	Riffgat / EWE	Holandia	Riffgat Windpark Transformer platform	Engineering and Construction of Electrical, Instrumentation, and F&G installations	17.000
2012	Gaz de France	Hertel Defence & Offshore	HVAC module for Q13-A	Engineering and Construction of E&I, HVAC and F&G installations	3.000
2012	Gaz de France	Hertel Defence & Offshore	Power Modules for Q13 / D18 and L5	Engineering and Construction of E&I, HVAC and F&G installations	11.000
2012	BHP	HSM Offshore	Hang Off Module Douglas platform	Construction of Electrical and Instrumentation and F&G installations	8.900
2011	EOG	HSM Offshore	Conwy Platform	Construction and offshore commissioning assistance of E&I and F&G installations	8.900
2011	Shell NAM	Mercon steel structures	SWEEP RAT K15	Construction and offshore commissioning assistance of E&I and F&G installations	9.000
2010	Gaz de France	Mercon steel structures	G16A-b Platform	Construction and commissioning assistance of E&I and F&G installations	13.500
2010	Gaz de France	Hertel Defence & Offshore	G16A-b Power Module	Construction and commissioning assistance of E&I and F&G installations	3.500
2010	Chevron	Cofely oil & Gas Ijmuiden	A12 Compression modules	Construction and Mechanical Completion of Electrical, Instrumentation installations	3.200
2010	Alsthom	Cofely oil & Gas Ijmuiden	Pembroke, 5 Modules	Construction and Mechanical Completion of Electrical, Instrumentation installations	3.700
2009	Gaz de France	Hertel Defence & Offshore	L10-AD Power Distribution Module	Construction and commissioning assistance of E&I and F&G installations	3.500

# Project Reference List

Year	Operator	Client	Project	Scope	Hours
2008	Chevron Transport and Production	Hertel Defence & Offshore	Horizon/P9	Offshore commissioning coordination and supervision	850
2008	Bluewater	Mercon steel structures	Bluewater Soft Yoke module	Hook-up and commissioning assistance in Russia	2.000
2008	NAM	Fabricom Suez O&G	L2 Compression module	Construction and commissioning assistance of E&I and F&G installations	2.100
2008	Prosafe	Hertel Defence & Offshore	Regalia, additional LQ (412 men)	Engineering and Construction of Electrical, Instrumentation, and F&G installations	17.400
2009	Prosafe	Hertel Defence & Offshore	Regalia, refurbishing existing LQ	Engineering and Construction of Electrical, Instrumentation, and F&G installations	8.500
2009	Gaz de France	Hertel Defence & Offshore	G17d-A Living Quarter Extension	Engineering and Construction of Electrical, Instrumentation, and F&G installations	
2008	Gaz de France	Hertel Defence & Offshore	E17A Living Quarter Module	Engineering and Construction of Electrical, Instrumentation, and F&G installations	2.200
2008	Talisman	GustoMSC	Mopustor Tank installation YME development Norway	Engineering and delivery HIMA F35 system with sub-sea junction boxes and cabling.	460
2008	Talisman	GustoMSC	Mopustor Tank installation YME development Norway	Site assistance on commissioning and start-up of Mopustor Tank installation..	220
2008	Cirrus	Fabricom O&G	M6 Platform (with renewables)	Construction and commissioning assistance of E&I and F&G installations	4.500
2008	Ithaca	HSM steel structures	Ithaca platform	Construction and commissioning assistance of E&I, HVAC and F&G installations	7.000
2008	Chevron	Hertel Defence & Offshore	Horizon retrofit	Engineering, Construction and offshore commissioning of E&I, HVAC and F&G	2.400
2008	Bluewater	Mercon steel structures	Bluewater Soft Yoke module	Construction and commissioning assistance of E&I and F&G installations	8.000
2008	Gaz de France	Hertel Defence & Offshore	E17A offshore Power Module	Engineering and Construction of Electrical, Instrumentation, and F&G installations	2.200
2006	Gaz de France	Heerema Zwijndrecht	D15-A Compression Module G14-B production platform	Engineering and Construction of Electrical, Instrumentation, and F&G installations	15.000
2005	Newfield	Hollandia	Grove Platform (with renewables)	Consultancy and construction of Electrical, Instrumentation and F&G installations	8.500
2006	Chevron	Hertel Defence & Offshore	A&B Block LQM	Engineering and Construction of Electrical, Instrumentation, and F&G installations	3.500
2006	Alseas	Alewijnse	AUDACIA LQM (240 men)	Engineering of electrical and Instrumentation, Telecoms and F&G installations	4.000
2004	Gaz de France	Hertel Defence & Offshore	K2BA LQM	Construction and commissioning assistance of E&I and F&G installations	1.200
2004	Shell NAM	Fabricom Suez O&G	Cutter platform (with renewables) K17A platforms (with renewables)	Construction and commissioning assistance of E&I and F&G installations	4.000
2005	Gaz de France	Hertel Defence & Offshore	G16 Power module	Construction and commissioning assistance of E&I and F&G installations	1.250
2005	Gaz de France	Hertel Defence & Offshore	Toolcontainers for G17 and K2BA platforms	Engineering and Construction of Electrical, Instrumentation, and F&G installations	160

# Project Reference List

Year	Operator	Client	Project	Scope	Hours
2004	NAM	HSM steel stuctures	K8 Compression module	Onshore installation, Offshore hook-up, platform modifications and commissioning	8.000
2004	ECB	Energie Combinatie Bergerden	Tuinbouwpark energie management system	Consultancy, planning, software engineering and delivery of Park Management System (PEMS)	6.000
2004	Gaz de France	Hertel Defence & Offshore	G17-A LQM modifications	Delivery and construction onshore and offshore of living quarter extensions.	700
2002	Clyde Petroleum	HSM steel stuctures	Q4C main platform	Consultancy, engineering, procurement and construction of E&I and F&G installations	47.000
2002	Conoco UK.	HSM steel stuctures	Murdoch module.	Installation, Procurement, and onshore commissioning of a gas compression Module.	10.000
2001	SBI Friesland	HCG Rijswijk bv.	Vergistingsplant	Consultancy, all E&I engineering (incl. software) construction of Bio-energy plant	2.500
2001	Total Fina Elf Petroland	Mercon steel structures	K5PK platform	The Contruction and Testing off all E&I and Hydraulic systems. Inlcuding offshore hook-up	17.000
2001	Afvalzorg NH	JHS	Experimental plant for disposal of toxic waste	Consultancy, all engineering (incl. software) and construction of E&I installation	2.000
2001	Elsam	HSM steel stuctures	Horns Rev1 Transformator platform	Procurement, Installation and Testing off E&I works on- and offshore.	11.000
2001	Heerema Marine Contractors	Heerema Marine Contractors	J-lay project "Balder"	E&I cable installation to J-Lay tower during trip to Gulf of Mexico	10.700
2001	ABB Lummus Global	ABB Lummus Global	OHANET DEVEPOMENT	Detail engineering for Electrical and Instrumentation at the ABB office in the Hague	1.200
1999	Clyde Petroleum	Clyde Petroleum	Q4A Development	Consultancy, Supervision, design, engineering and commissioning of E&I systems	15.000
2000	Elf Petroland	HSM steel stuctures	K4BE	Procurement, Construction, Off-shore hook-up and Commissioning of E&I and Hydraulics	14.000
2000	Clyde Petroleum	Clyde Petroleum	"P6A Tie-in Q4A"	Project management, procurement, supervision and commissioning of E&I works.	6.650
2000	Clyde Petroleum	Clyde Petroleum	"P6A Fiscal metering"	Project management, procurement, supervision and commissioning of E&I works.	1.200
1999	Clyde Petroleum	Clyde Petroleum	P6A Turbine controls"	Consultancy, expediting, installation supervision, commissioning of the E&I works	1.200
1999	Elf Petroland	HSM steel stuctures	L4 PN	Procurement, Construction, Off-shore hook-up and Commissioning of E&I and Hydraulics	15.000
1998	Clyde Petroleum	Clyde Petroleum	TOUGH	Development and coordination of TOUGH - KPN-offshore network on Clyde installations.	1.550
1998	Bluewater		FPSO "Bleo Holm"	Construction and Testing of 23 distribution boards for FPSO "Bleo Holm". (Via ABB)	1.000
1998	Jotun	HSM steel stuctures	FPSO compressor Skids (Kvaerner Norway)	The Contruction and Testing off all E&I and Hydraulic systems.	20.000
1998	Elf Petroland	HSM steel stuctures	K6GT	Procurement, Construction, Off-shore hook-up and Commissioning of E&I and Hydraulics	15.000
1998	Clyde Petroleum	Clyde Petroleum	N3 Development Waalwijk	Consultancy, Supervision, engineering and commissioning of a gas plant	1.110

# Project Reference List

Year	Operator	Client	Project	Scope	Hours
1998	Clyde Petroleum	Clyde Petroleum	Gas Compression P6S	Supervision, design, engineering and expediting	600
1997	Clyde Petroleum	Clyde Petroleum	P6 Alpha project (Tie-in P6S, P2NE, P2SE)	Supervision, design, engineering and expediting	7.000
1996	Clyde Petroleum	Clyde Petroleum	P6-S, P2-NE, P2-SE platforms	Supervision and engineering of the E&I, Telecom, F&G and Hydraulics systems	10.000
1997	Bluewater	Hertel Defence & Offshore	FPSO "Glass Down" Control Room Module	Engineering and Construction of the E&I installation (MCC, lighting , HVAC, P.A., etc.)	800
1997	Elf Petroland	Mercon steel structures	K5 EN/C	Procurement, Construction, Off-shore hook-up and Commissioning of E&I and Hydraulics	14.000
1997	Elf Petroland	Mercon steel structures	K4A	Procurement, Construction, Off-shore hook-up and Commissioning of E&I and Hydraulics	14.000
1997	Schiehallion	HSM steel structures	FPSO compressor Skids	Project management, procurement, construction and commissioning of E&I works.	10.000
1996	Bluewater	HSM steel structures	CALM-Buoy en PLEM	Project management, procurement, construction and commissioning of E&I works.	2.000
1996	Brittania	Bayards	SLP Helideck and helideck substructure	Project management, engineering, construction and commissioning of E&I works.	2.400
1995	Sedco Forex	Sedco Forex	Dundee Explorer drilling	implementation of safety case changes, related to fire & gas, P.A. systems, and HVAC	2.600
1995	Global Marine	Global Marine	Adriatic X drilling Rig	implementation of safety case changes, related to fire & gas, P.A. systems, and HVAC	100
1995	EnSCO Offshore	EnSCO Offshore	EnSCO 80 drilling rig	cabling of generators, the load cells for cement tanks and crane loading system.	1.000
1995	Maersk	HSM steel structures	Tyra West Upper Bridge	Engineering and Construction of Electrical, Instrumentation, and F&G installations	2.800
1995	Transocean Drilling	Transocean Drilling	Kings North Explorer	Hydraulic Emergency Chain release system for every leg.	500
1994	Clyde Petroleum	Clyde Petroleum	Waalwijk Noord	Design and engineering of the Tie-in of the Waalwijk Zuid plant	6.000
1995	Clyde Petroleum	Clyde Petroleum	Sprang Capelle	Design and Engineering, expediting and procurement, project management and supervision.	3.000
1994	Placid	Hertel Defence & Offshore	K11-B	Design, engineering, installation, testing of the electrical installation of the emergency shelter.	450
1994	Unocal	Hertel Defence & Offshore	Q-1	Design, engineering installation, testing and inspection of the MCC container.	200
1994	Unocal	Unocal	Helm, Helder, Hoorn, L11/B platform	NEN 3140 inspections (Arbowet) of the living quarters.	1.600
1993	Clyde Petroleum	Clyde Petroleum	Waalwijk zuid, Loon op Zand	Design and engineering, procurement, project management and supervision.	3.000
1994	Clyde Petroleum	Clyde Petroleum	Q8B Platform	Supervision , design and engineering of the hydraulic, E&I, F&G and PA systems	2.900
1993	Unocal	Hertel Defence & Offshore	Horizon/P9	Installation, commissioning and hook-up of switchgear and HV transformer modules.	3.100

# Project Reference List

Year	Operator	Client	Project	Scope	Hours
1992	Global Marine	Global Marine	Main Pass I rig, Moray Firth I rig, Labrador rig.	implementation of safety case changes, related to fire & gas, P.A. systems, and HVAC	8.000
1991	Occidental	Penn & Bauduin	Saltire "A"	Design, engineering, installation and commissioning of HVAC control system.	5.400
1991	NAM	HSM steel stuctures	F3-FB accomodation platform	Engineering, procurement, installation and commissioning of the E&I installation.	55.000
1991	Wepco	Hertel Defence & Offshore	Accommodation module	Design, engineering, procurement, installation and commissioning.	6.500
1991	Conoco UK.	Heerema Vlissingen	Viking B.A.	Design, engineering, installation and commissioning of HVAC control system.	1.370
1990	Amoco UK.	HSM steel stuctures	Central Graben development project. North Everest & Lomond Fields	Engineering, procurement, installation and commissioning of the E&I installation.	144.000
1989	Amoco UK.	HSM steel stuctures	Montrose replacement accommodation	Engineering, procurement, installation and commissioning of the E&I installation.	21.000
1988	Wintershall	Aircona	L8G, L8H	Engineering and fabrication of Exd distribution boards for lighting, small power and 24V DC	1.360
1985	Placid	Aircona	L10-AC, K9-A, K9-AB, K9-AC, K12-CC	Design, engineering, installation, testing and commissioning of the HVAC control system	2.000
1985	NAM	Hertel Defence & Offshore	K15FG, L13-FA, AME-2, AWG, L-2, L-5, L-15, L-9	Engineering, fabrication and installation of HVAC control panels and cabling.	5.800
